There are international schools, and then there is SCIS. From the moment I started working with SCIS, I knew that this was a school that supported its faculty and encouraged **collegiality**. There is a sense of pride that permeates through the hallways of SCIS. This Dragon pride is a testament to the culture of community, diversity, and excellence that is continuously fostered by all at SCIS. I am proud to be part of the SCIS legacy and could not imagine a more encouraging and collaborative environment to grow as an educator and educational leader.
